All existing laws, ordinances, and rules inconsistent with the provisions of sections 252.31-252.90, Florida Statutes, or identified as inconsistent with the directives of the State Health Officer and Surgeon General pursuant to their authority under Chapter 381, Florida Statutes, shall be suspended during the period of time and to the extent that such conflict exists. The City Manager, Assistant City Manager, or their designee, may issue administrative orders in support of these public health emergency directives to provide more efficient and orderly preparedness and recovery.
